product Caementum
standout Tinted with natural oxidants and water-based dye, this sculptural cast-cement indoor/outdoor coffee table has a hollow base with porous texture and a top with a super-smooth velvety-soft finish. pedrali.com

product Allure O'
standout Offered in black glass or any number of other luxe materials, this glamorous dining table with beveled edges references the shape of Jackie O's eyewear. bebitalia.com

product Frame-shift
standout Set this aluminum-frame bookcase either against a wall or standing proudly in the center of a room: its sliding wood panels can be applied on both or either sides. moroso.it

product Simoon
standout Slabs of amethyst and dark topaz glass, coated with a special grit of chopped Murano glass and UV-glued together, comprise the *Interior Design* Hall of Famer's low tables. glasitalia.com ➔
